To all Shareholders and, for information purposes only, to holders of options and warrants to subscribe for Ordinary Shares

Dear Shareholder,

You will be aware that the AGM was adjourned in relation to Resolution 1 - Receiving the Accounts as the Company had commissioned a range of reports including Deloitte Business Solutions SA's engagement to advise on and update the Project Business Plan and prepare a presentation of the Plan to assist both parties in the discussions with the Foundation and to ensure that the Company's audited Report and Financial statements for the year ended 31 October 2021 include as much of the key information as possible. The adjournment was until such time as those financial statements were made available to Shareholders. The Company also said that, in order to give Shareholders time to review the financial statements, it was intended to re-convene this element of the AGM not less than 21 clear days after the financial statements were made available to Shareholders.

I am writing to you now with details of the re-convening of the Company's AGM, which will be held at 2.30 p.m. on 6 June 2022 at the offices of Pinsent Masons LLP, 30 Crown Place, London, EC2A 4ES. The formal Notice is set out on page 5 of this document.

Re-Convened AGM

The only business to be conducted at the Re-convened AGM is consideration of the Resolution being an ordinary resolution that the report of the directors and the Report and Financial Statements for the year ended 31 October 2021 together with the report of the auditors be received and considered.

Action to be taken

If Shareholders would like to vote on the Resolution and have not already completed and delivered a form of proxy in relation to the AGM or wish to change how they voted they are requested to complete and sign the enclosed Form of Proxy in accordance with the instructions printed thereon and return it to the Company's registrars, Neville Registrars Limited, Neville House, Steelpark Road, Halesowen, West Midlands, B62 8HD as soon as possible and in any event so as to be received by the registrars not later than 2.30 p.m. on 31 May 2022.

Recommendation

The directors consider that the Resolution is in the best interests of the Company and its Shareholders as a whole and they recommend that you vote in favour thereof as the directors intend to do in respect of their own beneficial holdings of 34,387,172 Ordinary Shares representing 5.11 per cent of the current issued ordinary share capital of the Company.

Yours sincerely
